

# Cake & Confectionery Products

American Pan manufactures a wide variety of bakeware for cake and confectionery products, from standard cupcakes and muffins to sponge cakes and tarts, all designed to provide ease of use to baking operations of all sizes.

## Standard Size Bakeware

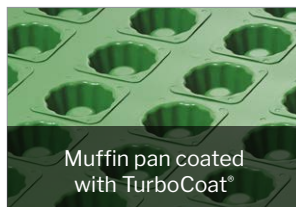

We offer a variety of standard size bakeware used for baking cake and confectionery products, including crown, standard, mini, and silhouette muffin pans, as well as round cake pans in a variety of sizes.

## Proprietary Coatings

The formulation of our coatings take into consideration easily overlooked factors when it comes to baking cakes and confectionery, including product additives (chocolate, nuts, fruit, etc.), grease applications, washing systems, and depanning methods, so that you can achieve easy release of baked goods with every bake.

## Custom Designs

Our bakeware is constructed of high-quality materials, fabricated in various sizes and configurations, and coated to your specifications. We can also design and manufacture any other type of custom pans to meet all of your bakeware needs.
